

# MARINA MATTERS

## Kinkaid Lake Marina

### Campground is Open

Residents and lease holders can still use the campground and take in some fresh air and wide open spaces. We can still fill propane tanks.

### Quick Store is Open

We are open, just like other operating convenience stores and gas stations. Get everything in one place including food, beer, liquor, ice, boat parts, bait, fishing & boating supplies, and sunscreen.

### Help is Available

Kinkaid Lake is still open and is home to some who live seasonally on their houseboats (the state's ramp is closed). We still have gas at the Marina for your boats and at the main building for your vehicle. During these uncertain times, feel free to call ahead and we'll be glad to answer your questions and try to make any special accommodations.

Check out our Facebook page and website for the latest updates. Best wishes!

### Virus Impact: Special Report

#### Spring News

During these unprecedented times, we continue to hope that this emergency will soon end and we can get back to enjoying our businesses and our lives again. With so many places closed, we want to inform you that portions of **the Marina complex are still open** although the restaurant and bar are currently closed through April at this point. The Governor's Stay at Home Order goes through April. In the meantime, the slips are still open. Call us to check into our available services from your friends at Kinkaid Marina. The weather is nice and the trees are blooming to announce the arrival of Spring. Best wishes to you all for safe emergence from this dangerous virus. We hope to see you all safe and sound when things get back to normal.

## Meet the Owners

### Meet Agan and Stephanie Alkan

Agan earned a degree in Construction Management & Facility Management from Southeast Missouri State Univ. and had a 10 year career in industrial and maintenance management. He has also been a landlord and property manager for about 25 years, having owned both residential and commercial properties. He is an expert builder and has built everything from a complete building to the Moody Muskie Chris Craft Boat Bar. In his free time, he enjoys teaching kids how to ski.

Stephanie has been the Marina Office Manager since the three couples bought the business last year. She has a long career in health care customer service working with patients and insurance companies to manage accounts payable & receivable.

Together, they have a son Ruger who enjoys wake boarding, skiing and traveling. Stephanie's son Trenton Patrick is manager of the Moody Muskie Bar & Grill.

## Upcoming Events

*Blessing of the Boats - April 25 (subject to change due to the virus threat and the Governor's call for closures through April - Call first)*

We have a great summer of fun planned although some events are subject to the virus closures and government guidance. Check our website and Facebook for frequent updates. Call and let us know how we can serve you by calling 618.687.4914. Kinkaid Lake is managed by IDNR, US Forest Service & Kinkaid-Reed's Creek Conservancy District. Social distancing is possible on the 2,750 acre lake with approximately 90 miles of shoreline. Enjoy your boat and remember that Kinkaid Marina rents pontoons, fishing boats and kayaks for all of your summer fun. Full service with gas, snacks, ice, beer, minnows and more.
